EXERCISE

Exercise 1: Listen to and read the job description, duties, and responsibilities of Mr. Pisut, a construction worker below.

I'm Pisut Meesap, a construction worker at Macro Construction Company. I have been working here for 5 years. My responsibilities are assisting tradesmen and machine operators in construction projects. I erect and break up the scaffolding, ramps and so on. I unload and carry materials at the construction sites. I break the old forms and structures. I follow the instructions to use explosives to demolish structures. I prepare and use construction materials to build structures or fill cement to the gaps, smooth, and level new concrete or other materials. And, after finishing my construction works, I must clean out the sites from debris and discarded materials. That's all for my responsibilities in the company. Thank you.

EXERCISE
